

# Keep your business running with Clover and Ecwid

**FREE 90-DAY TRIAL<sup>1</sup>**

COVID-19 has been tough on businesses. We're here to help. Clover® has partnered with Ecwid to help you create an online store fast, and link directly to your Clover account.

[Learn More](#)

Together, Clover and Ecwid make it easy for you to reach more customers by helping you to:

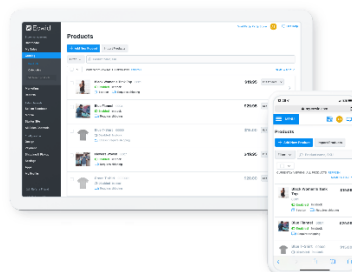

- ✓ Setup in-store or curbside pickup
- ✓ Add online ordering and schedule take out orders
- ✓ Accept online booking
- ✓ Sell gift cards for future use
- ✓ Add your store to your current website or create a new website
- ✓ Sell on Facebook, Instagram, marketplaces
- ✓ Advertise on Google Shopping, Facebook, Pinterest and Snapchat

## Setting up your online store is easy:

1. Install the [Sell Online app](#) in the [Clover Dashboard](#) and create your Ecwid account.
2. Import products and inventory from Clover to Ecwid.
3. Customize with photos, descriptions, and other options.
4. Create a website or add a store to your existing site.
5. Select from a variety of shipping and payment methods.
6. Start selling online.
