

Community Connection Application

The Kelowna Chamber regularly showcases a not-for-profit organization at a luncheon during its Signature Speaker series. Organizations apply (see below) by email.

The Chamber will contact each successful applicant in advance of the event. A table will be provided inside the banquet room for display of informational materials.

The Event emcee will recognize the not-for-profit group and encourage guests to visit the table and speak to the group's representative/s. One complimentary meal will be provided for the organization; they may purchase additional meals.

Applicant organizations need to be current Chamber members. Selection of any one group will be made by a draw by Chamber staff.

Organization Name _____

Contact Name & email _____

Date _____
