

MILLS Nutrition-Golf-Fitness is thrilled to announce that we have become a sponsor of the Agur Lake Camp 10th Annual **Swing For Kids** Charity Golf Tournament presented by Summerland Timber Mart. Jan Mills, a long-time Kelowna resident & Chamber member noted that “Agur Lake Campground is not only BC’s only wilderness retreat for people with special needs and their caregivers, it’s right here in our backyard located just outside Summerland!”

Nestled in the woods just 20 km west of Summerland is a campground like no other; 3 gorgeous, fully furnished cabins equipped with kitchens, and fully accessible with room for the largest of wheelchairs. Roll-in showers, roll-under sinks, grab bars, adjustable hospital beds, portable lifts – all surrounded by paved paths leading to fishing docks, a covered pavilion, fire pit, badminton net, basketball hoop and playground. This wilderness camp is developed for families and individuals with special needs. Perfect for all ages – now grandparents can fish with their grandkids or enjoy the paved forest trails together.

MILLS Nutrition-Golf-Fitness is excited about the cause and this equally unique charity golf tournament that will have some awesome prizes for golfers of all abilities. “We encourage all Kelowna Chamber members to mark May 26th on your calendar and join us as at the Summerland Golf & Country Club as a golfer, volunteer or fellow sponsor.”

To register to golf, volunteer or donate at this great fundraising event, please check out the event link at [Swing For Kids](#).
