

Sales & Business Development Manager

Are you a highly motivated individual who has a passion for sales and a strong history of success in business development? If so then you may be just the right fit for our innovative and energetic team.

The Kelowna Chamber of Commerce is one of the largest Chambers in the country and we offer a fast paced work environment, a competitive remuneration package and the opportunity to grow, learn and harness your inner creativity and innovation. You must have above average lead generation, communication and interpersonal skills to excel in this full time, commission based position. A proven track record in sales is a necessity while previous experience in a member driven organization similar to the Chamber would be an advantage.

Reporting to the Executive Director, you would be responsible for overseeing our sales team and selling memberships, sponsorships and advertising with the Chamber.

Please submit your confidential resume by **4 pm February 9th** to:
